Subject: Seeking Volunteers

Good morning Judges,

I am going to assign one IJ in Charlotte to handle the detained cases (bonds), with one back-up IJ. Please let me know if you would like to volunteer to be the detained IJ and/or backup detained IJ by COB Friday, November 30, 2018. Once the detained IJ is identified, I will work with CA Edwards and the IJ to create a schedule to handle these cases.

If there are no volunteers, I will assign to detained cases to one IJ based on current caseloads and other considerations.

Thank you,
Sirce
